## The Big Longridge Weekend

This weekend has come about through the joint efforts of the Goosnargh and Longridge Agricultural Show (GLASS), The Friends of the Longridge Civic Hall.

GLASS has a yearlong programme of fund raising activities including lunches, dinners, dances, cabaret nights and other events which support the Annual Show in July. Without the fund raising the Show Committee could not stage such a great day – with lots of free activities for children and interesting events throughout the day.

The Friends of the Civic Hall are continuing to raise funds for the much needed refurbishment of the Hall – new chairs are the next priority – to make it a venue fit for the people of Longridge and the wider community to use for their celebrations and events.

Our thanks go to members of the 2009 Longridge High School Young Enterprise Team for their enthusiastic input to the planning and advertising of this event, the wider business community of Longridge who have given their support to this first Big Weekend, as well as Firefly Solutions, for their excellent ideas and input in designing this booklet. All profits that are made from this weekend are being shared by GLASS and The Friends so thank you for reading this brochure and please give us as much support as you can over the 8<sup>th</sup>, 9<sup>th</sup> and 10<sup>th</sup> October to make our first Big Weekend a success!

The Big Longridge Weekend has been organised with help from the Goosnargh and Longridge Agricultural Society Ltd., and the Longridge Social Enterprise Company Ltd. For more information on any of our events, please contact Jean & Barry Hill on 01772 780520 or at [jeanhillwalking@googlemail.com](mailto:jeanhillwalking@googlemail.com)

Adrian Hill of "Hill's Fine Foods" And Stephen Burns of Preston Wine Circle will discuss the evening's complimentary wines and cheeses. Adrian is an expert of fine cheese, supplying local hotels and restaurants as well as all over the North of England. He sources from local producers as well as all parts of this country and imports the finest foods from abroad. Solicitor Stephen Burns is a Wine Enthusiast. He has been a wine appreciation tutor, an International Wine Judge and has been the "Ask the Expert" for the Lancashire Evening Post.

He has set up two wine circles, organising dinners and wine weekends. Both have an infectious enthusiasm for their subjects and together make a very informative and entertaining evening where tasting and sampling are an integral part of the event.
